LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter is scheduled for November 19, 2020, and no significant issues were raised in the parties' joint letter or proposed case management plan. It is hereby

ORDERED that the November 19, 2020, initial pretrial conference is **cancelled**. If the parties believe that a conference would nevertheless be useful, they should inform the court immediately so the conference can be reinstated. The case management plan and scheduling order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. The parties should be aware that the Court does not extend the deadlines for discovery absent compelling circumstances, and that the use of any alternative dispute resolution mechanism does not stay or modify any date in the case management plan.
